 - D. If not A), B), or C), the bowler will be assigned a scratch average of 230 or highest entering average if higher than 230.

The above averages will be verified:

- i. By the ORBIT committee using the USBC website www.bowl.com.

11. The per-game handicap for the tournament shall be based at 90% of the difference between the bowler's entering average (as determined in Rule 10 and 13) and the scratch score of 230, or 90% of the highest entering average, whichever is higher. Negative handicaps shall not apply.
12. Any bowler who has qualified for a monetary award of \$600.00 (USD) or greater during the previous twelve (12) month period from the start date of the ORBIT 2024 Tournament is required to report the name of the tournament, prize amount, scores bowled and prize position (USBC Rule 319d). Failure to comply will result in the automatic and immediate disqualification of the bowler. The disqualified bowler will receive a score of zero (0). No refunds will be issued for disqualified bowlers.

13. USBC rules regarding the BOWLER'S responsibility to verify the accuracy of his/her entering average, whether submitted by the bowler, the team captain, or any other individual, applies to all bowlers. Failure to use proper average shall disqualify scores if the submitted average is lower than the actual average, thereby resulting in a lower classification or greater handicap.
14. Event placement and/or prize winnings shall be based on the higher average should the submitted average prize be higher than the bowler's actual average.

Average Adjustment

15. The tournament management has the authority to adjust the entering average of any bowler. Average adjustments will be applied as set forth under USBC rules. All average adjustments will be completed prior to the start of the tournament. A bowler unwilling to accept an average adjustment is entitled to a refund of their entry.
16. If a bowler has a current IGBO tournament average (comprised of a minimum of 21 games bowled during the 12-months (less 30 days) immediately preceding the official start date of 8/30/2024) that is one or more pins higher than their entering average (as outlined in Rule 10), they must use the higher tournament average as their entering average. It is the bowler's responsibility to report ALL tournament scores that are relevant in calculating their current tournament average. Failure to report this information may result in AUTOMATIC disqualification and loss of all prize winnings—subject to Tournament Management discretion.

Attendance and Substitute

17. Tournament registration and check-in must be completed at least 30 minutes prior to the start of a bowler's first event.

Mechanical failures, transportation irregularities, improper directions and related reasons DO NOT alter the application of ORBIT and USBC rules. Changes made to the schedule regarding tournament offered transportation and catastrophic events will be subject to Tournament Management discretion.

20. Substitutes may bowl at the discretion of the tournament director(s). A substitute is a bowler selected and approved by the committee to fill in for a registered bowler the weekend of the tournament. Their entering averages must comply with Rule 10.
